## “Guidelines for Operating Seed Balance Management System”

### Guidelines for Suppliers

For suppliers who supplied different classes of seed, you can check the list in suppliers. If you are listed in the supplier, you can simply get the user id my email or phone call mentioned in the contact.

If you are not listed in the supplier, you can fill up the form or provide or basic information and get user id and password.

After login, you will view the software as below.

The screenshot shows the website for the Seed Quality Control Centre (SQCC). The header includes the SQCC logo, the text "Seed Quality Control Centre National Seed Balance Sheet", and a user greeting "Welcome lumbiniseed | Sign Out". A navigation menu has "Home", "My Supply", "Demands", and "Contact". A "Supply Form" button is prominent. The main content area is titled "Seed Balance Management System" and contains a description of the software, an "Information Officer" section with a photo of Ramesh Humagain, and a "Contact Us" section with a photo of Madan Thapa and contact details for Kiran Bamanu.

### Seed Balance Management System

This Software is developed for Seed Quality Control Centre (SQCC) in order to manage the seed demanded and seed supplied from various institutions and related organization.

**How It Works?**

The list of Seed suppliers along with their organization detail will be made publically available. All the authorized seed suppliers will get User Id and Password via the Email.

Those who are willing to get seed from related organization can simply fill up the form "Consumer Registration". The registered consumer will be managed by the SQCC manager. Only the approved consumer will get the user id and password. The consumer who received user id can login and make online demand. The demanded seed will be managed by SQCC manager and the manager have authority to accept / reject / pending the seed demanded and only approved consumer will be assigned to the Supplier. The supplier can get the notification about the seed demaned and can make the availability of seed to the consumer. The manager of SQCC will get all the reports about seed management from different stakeholders.

**Information Officer**

**Ramesh Humagain**  
Senior Seed Development Officer  
Mobile: 9843194296  
Email: sqccnepal@gmail.com

**Madan Thapa**  
Chief Seed Development Officer  
Member Secretary, NSB  
Phone: 01-5521359

**Contact Us**

For Any queries regarding software:
